No. HFW-13(A)12-4/79(DN)-1

Dated: 24/12/05

NOTIFICATION

It has been observed that Medical Officers posted in PHCs/CHCs and other Government Hospitals, are advising rest to the Government employees for long periods without any justification which is not in the public interest. Moreover, this trend is specially seen when the concerned employee is under transfer to Tribal Area or to a place not of his/her choice. In order to check this tendency, it has been decided by the Government that medical officers will be entitled to advise rest for not more than 7 days at a stretch. In case more than 7 days rest is required by the concerned employee in the opinion of the Medical Officer he will refer such cases to the nearest Govt. Health Centre which has the specialists for a thorough check up so that this practice could be overcome to avoid leave on medical grounds frequently.

The above instructions will also be applicable to the Ayurvedic Medical Officers of the Ayurvedic Department. In view of this, all Medical Officers posted in PHCs/CHCs and other Government Hospitals including Ayurvedic Medical Officers of Ayurvedic Department are directed to adhere to the above instructions in letter and spirit. Violation of these instructions as issued by the Government invite disciplinary action against the doctor concerned.
